*We prefer to book large late model yachts due to their configuration, quality & equipment – usually 44 to 55 ft late model cruisers – you'll love the drop down swim platforms on most models. In Tonga we are on large catamarans.

Some cabins have shared bathrooms - others have their own private facilities. We offer the private bathrooms for those couples first to register and pay their deposit at an additional cost (\$300 a double for Croatia/Montenegro, \$200 a double for Phuket and Tonga). Subject to availability and payable with your deposit.

Each crew will be pre provisioning their yacht for breakfasts and lunches and snacks while sailing as appropriate with top ups along the way. Each yacht normally runs a kitty for this purpose and to cover port fees, yacht diesel etc as they arise. Initial contribution is around 300AUD per person for Croatia/ Montenegro and 150AUD for Phuket and Tonga. Onshore costs are relatively inexpensive at these destinations - port fees are significant in Croatia but minimal if any in Phuket and Tonga..

In Phuket there are four functions planned for each night of the Bay Regatta.

These and onshore resort accommodation for the Sunday regatta presentation night are included.. We anchor and are taken ashore by longtail boats or in our large tender. The resorts really turn it on for the yachties with fabulous food, all you can drink, professional and village bands and fire shows to entertain. Other nights we anchor and dinghy in to eat at rustic local restaurants or resorts

Similarly **in Tonga** we anchor our large catamarans in the lagoons and either eat on board or onshore at village functions or eateries.

In Croatia and Montenegro most nights we are usually moored stern to at village harbours and eat in port at fantastic local restaurants which have a heavy seafood bias.

When a night at anchor with dinner on board is planned, you provision locally at the previous port. We plan so you get plenty of time onshore for sightseeing, snorkelling, shopping etc.

Please note that vessel configurations and other components of an event may vary due to final crew numbers, availability and other circumstances. Final itinerary may also vary due to weather and local issue on the cruise. Subject to passenger mix and availability a surcharge of up to 60% may apply for a single wanting a double cabin.

How to pay:

You pay a deposit of \$1200 per person to reserve your berth or cabin. This is non-refundable if you later pull out for any reason. Deposits are payable on completion of booking form. Payments are then made in two further instalments with the last payment due two months before cruise departure date. Specific details are available on the booking form. AUD prices are based on the appropriate May 2018 AUD:EUR exchange rate. They may be subject to review if there is a significant change in the exchange rate before receipt of final payment.

We can advise re pre and post cruising options – there are some great deals on the internet - or our travel agent can arrange to book for you. We require you to promptly take out travel insurance to protect yourself against unforeseen issues or if you cannot travel.

We want you to have a memorable trip like all of the previous Allsail cruising adventures. That's why we have so many repeat cruisers. Talk to Russell or Cherie at any time for some hints. Each year as a couple we budget on an average \$150 per day for the kitty, food, extras etc and we usually do it very well for this cost – but it's still easy to spend more or less depending on your style.
