

## The FROG – 2003 Beneteau Oceanis 393

Allsail's **Beneteau 393, The FROG** is available for bareboat and skippered charter. As part of the Allsail Pittwater Yacht Charter Gold fleet she is very popular with budget charterers.

She is also used for sail training, twilight racing, cruising and private use by the lucky Gold members of Allsail Sailing Club attached to this yacht.

FROG has 3 double cabins, 2 bathrooms – plenty of room to sleep 6 to 8 in comfort. Maximum 12 by day.

Normal cruising grounds are Pittwater, Broken Bay, the Hawkesbury up to Brooklyn and Cowan, Smiths and Coal and Candle Creeks.

FROG can also go offshore cruising with a qualified master in certain circumstances. Her commercial Survey status is 2C, 2D, 4E.

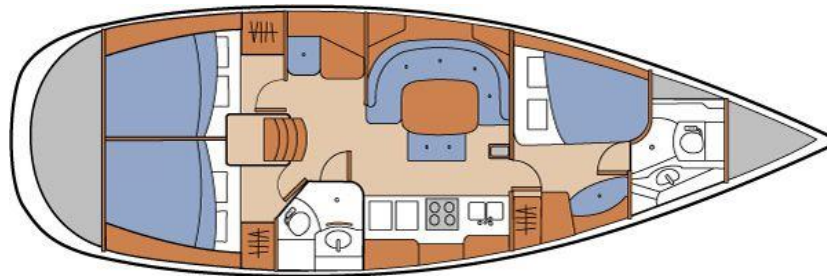

## The FROG – 2003 Beneteau Oceanis 393

FROG has an overlapping furling genoa paired with a fully battened mainsail which drops easily into the large boombag after sailing. The sail plan provides easy sailing power and her deep 1.9 metre keel provides excellent stability. The spacious cockpit with single wheel has the winches readily to hand. FROG can be effectively sailed by a reasonably experienced couple.

Down below, the private forward cabin has a Pullman style double berth and separate bathroom. This combined with the spacious saloon and large aft cabins and second bathroom has made the Beneteau 393 popular around the world in charter fleets.
