

Another Challenge – Sydney 38

Allsail Sailing Club's multi race and series winning racer and trainer.
Very popular for corporate training, team building and group race days.

Racing Highlights and History of Another Challenge

Originally campaigned out of Melbourne by Lou Abrams (a veteran of over 40 Sydney to Hobarts)

- **Sydney 38 Class National Champion** 2001 and 2002, competed in **9 Sydney to Hobarts**
- For the 2011 Hobart competed as **Ella Bache Another Challenge** with round the world sailor **Jessica Watson** as skipper & the youngest ever crew - second Sydney 38 to finish that year.
- Campaigned by disabled Olympian sailor **Daniel Fitzgibbon** for the **Integrated Disabled Sailing** project.

Racing, Training and Cruising with Allsail

Another Challenge joined the Allsail Sailing Club fleet in late 2015 and has been upgraded to survey for sail training, skippered charter and club use.

She has exceeded all expectations with many race, series and regatta wins including:

- 1st in Premier Red Division RMYC Monday Twilight series 2017/18 (2nd in 2016/17 and 2019/20), 2nd Friday Twilights 2018
- 1st place Division 1 RPAYC Commodore's Cup series 2017/18, 1st place Division 1 Lion Island Series 2018, 3rd Division 1 Pittwater Inshore Series 2019/20

Another Challenge has an extensive race and training program planned for 2020/21 season including:

- Racing, training and cruising each week on Pittwater and surrounds.
- Breakout Regatta to Port Stephens August 2020, Pittwater Regatta February 2021, Sydney Harbour Regatta in March 2021 and Sail Port Stephens Regatta Week in April 2021

Corporate and Group Team Building or Race Days

With her spacious cockpit and easy to use controls Another Challenge is most suitable for training groups of up to 10 (plus skipper/instructor and crew up to 2). Participants will learn the basics of sailing a racing yacht – and the importance of teamwork to achieve a good result.

You can even incorporate a real live race into the package (subject to availability, weather and safety considerations etc)
