

Saronic Islands of Greece Sailing Holiday 2024

1st to 15th June 2024

FROM ONLY \$4,980*per person

14 days sailing the real Greek Islands close to Athens
on luxury 44ft to 47ft yachts

Set sail to discover the real Greece in the Saronic Islands just south of Athens in June 2024 by joining Allsail Sailing Club's annual hosted Mediterranean Sailing Holiday.

You'll visit Aegina, Hydra, Poros, Dokos, Spetses and many more idyllic and rustic Greek Island locations – picture postcard villages with great swim spots along the way.

The Meltimi winds blow strong in summer in the nearby Cyclades Islands but the Saronics are renowned as being more protected - making for easy short hop sailing between destinations – with plenty of lay days to explore. Passages are comfortable on our luxury 44 to 47 ft Jeanneau yachts.

We have booked late model luxury 44 to 47 foot Jeanneau yachts – you'll love the drop down swim platforms. Some cabins have shared bathrooms - others have their own private facilities. We offer the private bathrooms for those couples first to register and pay their deposit at an additional cost (\$300 a double payable with the deposit- there are limited number of private bathrooms).

*Please note that yacht configurations and other components of the package may vary due to final crew numbers, availability and other circumstances and any government restrictions. Final itinerary may also vary due to weather and local issues. Subject to passenger mix and availability a surcharge of up to 60% may apply for a single wanting a double cabin.

Arrival airport is Athens International Airport Eleftherios Venizelos. Yacht departure port is the marina at Zea in Athens near Paraeus. Why not do a couple of days pre or post charter in Athens to soak up the history and vibe of the Greek capital.

We board the yachts on the afternoon of Saturday 1st June 2024 - our welcoming dinner is at a top restaurant in the Monastiraki area of Athens.

We will be pre provisioning for breakfasts and lunches and snacks while sailing as appropriate with top ups along the way. Each yacht normally runs a kitty for this purpose and to cover port fees, prepaid yacht diesel, damage reduction waiver etc. Port fees in Greece as still very reasonable in most locations. Initial contribution is generally 340 euro (around AUD560) per person.

At most ports we will be berthed a local marinas and town piers – but there will be some days when we will be anchored overnight in stunning bays. When in port we eat at fantastic local restaurants which have a heavy seafood bias. When a night at anchor is planned, we will provision for dinner locally at the previous port - or tender in to a restaurant on our large RIBs.

It's not all about the sailing - there's plenty of time for sightseeing, swimming etc. We have scheduled lay days when you can explore – hire a car if you want (No bikes or scooters on Allsail trips – people fall off and ruin everyone's holiday).

We plan to be back in Zea Marina Friday 14th June– and disembark the yachts Saturday morning.

How to pay:

You pay a deposit of \$1400 per person to reserve your berth or cabin. This is non-refundable if you later pull out - so consider your situation wisely. Deposits are payable on completion of booking form. Payments are then made in two further instalments in November 2022 and early March 2023. Specific details are available on the booking form.

AUD prices are based on the July 2023 AUD:EUR exchange rate. They may be subject to review if there is a significant change in the exchange rate before receipt of final payment.

We ask you to get your deposit in promptly. Allsail has paid the charterers significant deposits to guarantee we have the best appropriate yachts. We don't like to travel second class when flotilla sailing.

We can advise re pre & post cruising options – there are some great deals on the internet - or our travel agent can arrange for you. We require you to have adequate travel insurance to protect yourself against unforeseen issues or if you cannot travel – make sure it covers all potential issues.

We want you to have a memorable trip like all of the previous Allsail cruising adventures. That's why we have so many repeat cruisers. Talk to Russell or Cherie at any time for some hints. Each year as a couple we budget on an average AUD200 per day for the kitty, food, extras etc and we usually do it very well for this cost – but it's still easy to spend more or less depending on your style.
