

Luxury Resort and Cruising Holiday

Corfu and the North Ionian

10th to 20th June 2026

FROM \$4,890 per person*

Cruising on luxury yachts and catamarans from  **Sunsail**

Russell and Cherie Waddy have been organising and hosting Allsail's annual Mediterranean Sailing holidays for over 20 years. Their company Yachting Holidays has been appointed as your Australian booking agent for Sunsail – and to celebrate they have come up with something really special for 2026 out of Corfu in Greece.

You start with three nights at a top resort near Corfu old town - then transfer to our top end luxury Sunsail Leopard 424 catamaran (4 cabins, 4 bathrooms) or the latest new generation Sunsail Dufour 44 monohull.

You'll cruise the islands of Corfu, Paxos and Antipaxos - and cross over to stunning villages of the north Ionian mainland in western Greece – all the while with the towering mountains of Albania as your backdrop.

Corfu is the gem of the western Greek islands - heavily influenced by nearby Italy and ancient Venice in both its food and architecture. You'll visit the White House in Kalami Bay (home of the Durrell's) for a special brunch - and Gaios on Paxos, plus the pristine waters of Laaka harbour and the beaches of Antipaxos. We'll also cross over to the Greek mainland to a favourite village, Syvota. Line of sight cruising in protected waters inside the islands.

Add on a road trip in nearby Albania or catch the ferry to Italy either end to make it a truly memorable holiday.

You contribute to a kitty for this purpose and to cover port fees, yacht diesel, damage reduction waiver you're your initial contribution is 300 euro (around AUD540) per person.

At most ports we will be berthed at local marinas and town piers – but there will be some days when we will be anchored overnight in stunning bays. When in port we eat at fantastic local restaurants.

When a night at anchor is planned, we will provision for dinner locally at the previous port - or tender into a restaurant on our RIBs.

It's not all about the sailing - there's plenty of time for sightseeing, swimming etc. When in Corfu you can explore the island – hire a car if you want (No bikes or scooters – people fall off and ruin everyone's holiday).

How to pay:

You pay a deposit of \$1500 per person to reserve your berth or cabin. This is non-refundable if you later pull out - so consider your situation wisely. Deposits are payable on completion of booking form. Payments are then made in two further instalments in January 2026 and March 2026. Specific details are available on the booking form. You pay in AUD. Prices are based on the October 2025 AUD:EUR exchange rate. They may only be subject to review if there is a significant change in the exchange rate before receipt of final payment.

We ask you to get your deposit in promptly. Yachting Holidays has paid the charter operator significant deposits to guarantee we have the best appropriate yachts. We don't like to travel second class when flotilla sailing.

We can advise re pre & post cruising options – there are some great deals on the internet - or our travel agent can arrange for you. **We require you to have adequate travel insurance to protect yourself against unforeseen issues or if you cannot travel – make sure it covers all potential issues.**

We want you to have a memorable trip like all of the previous Allsail and Yachting Holidays cruising adventures. That's why we have so many repeat cruisers. Talk to Russell or Cherie at any time for some hints. As a couple we budget on an average AUD200 per day for the kitty, food, extras etc and we usually do it very well for this cost – but it's still easy to spend more or less depending on your style.
